

has been awarded the

Note:

This is a sample of how printed coloured certificates will look when printed using generic certificates available from Scouts Sales and you download coloured template files from Scouts Australia website.

How to Create a Printed Certificate

1. Use certificate from Cub Scout Certificate Stationery Pack CSS 51160
2. Download coloured Boomerang/Leadership files from national website
www.scouts.com.au/library
3. On www.scouts.com.au/library click on Cub Scout Boomerang Certificate Templates on left hand side index
4. Print files on coloured printer using CSS51160
